FOREWORD

COME ONE! COME ALL! ! Look right through our circus annual of 1946!

School at Washington Union seems to be one grand, three-ring circus featuring education, activities, and sports. The education ring has improved its act greatly during the past year with the addition of intelligence and achievement tests and much remedial work. Activities, always a favorite with performers and audience at W.U.H.S., have again been revived to the old pre-war standards. Action plus thrills appeared in the sports ring.

And so, step right up, ladies and gentlemen, and enjoy the circus edition of the PROGRESS!

AN APPRECIATION

To Mr. Robert E. Sonneman, Washington Union High School principal, who has made 1945-1946 a year of improved education at this school, the staff dedicates this issue of the PROGRESS to express the appreciation of the Student Body for his interest in their activities and his work in their behalf.

Oral L. Mitchell, Eckhart Thompson, G. Tom Reeves, Henry Lichti, A. U. Thomsen.

PRINCIPAL'S PAGE

R. E. SONNEMAN, Principal

The Class of 1946 is the first to go forth from high school into the postwar world. No longer are the tensions and tragedies of war your immediate destiny. True, the young men who graduate may have to serve a year or more in the armed forces, but you will not need to look forward to combat on a battlefield, battleship or fighting plane.

Now that we are at peace, let us look momentarily at postwar America to see what is in store for you. As you know, during the war there was virtually a complete suspension in the building of homes and business structures, and the manufacture of practically all articles of heavy industry such as automobiles, farm machinery, refrigerators, etc. This cessation of production created an enormous backlog of demand for these products. We are just getting started back on the road to production. America has the purchasing power to buy the products of industry just as soon as they are available. This means that there will be expanding opportunities for employment as these products begin to flow into the market. These will provide jobs at good wages for all who wish to work. There will also be new jobs created to build the new products to make life more liveable. New homes with new conveniences will be built. New factories, new industries, even new cities will rise to build the myriad new products of the post war world. New highways will be constructed and new airways will be charted to carry on the commerce of a productive, prosperous postwar America. In short, an era of unprecedented prosperity lies immediately ahead of us. The future for you looks brighter now than at any time in our history. America is truly the land of opportunity for the ambitious young man or woman.

In the foregoing paragraphs I have been speaking of materialistic developments. I also envision a renaissance of spiritual values and social progress. With the fear of unemployment gone, with the hysteria of war removed, and with normal home life coming back into own again, I believe America will rise to new heights of economic prosperity, social security, and spiritual stability. Your future is bright, Class of 1946, and may you make the most of your abilities as you leave these portals.

SENIOR

It was a happy but frightening day in the lives of many Freshmen when they entered the doors of Washington High, the first step on the long road that would lead many students through four years of high school and many others through adventures and experiences they had never dreamed existed, in the service of their country.

Not knowing the dark future that was ahead for so many but only pushing any unpleasant thoughts into the back of their minds, the Freshman class (the future graduates of '46) elected their class officers. Those elected were president, Jim Peoples; vice-president, Charles Erickson; secretary Catherine Steyer, and treasurer, Merle Petersen. Under the excellent supervision of class sponsors, Miss Jurgensen, Miss Palmquist (now Mrs. Cochran), and Mr. Burnett the Freshman class finished their first year with only a few minor changes caused by the horrible monster of war that had overrun the world.

The Sophomore year for the class of '46 was not a year when they were "scrubs" and scared to death, but just another performance in the second ring of the circus called school. The class election was held and Merle Petersen was chosen president with Herbert Donabedian as vice-president; when Herbert moved to Fowler, his office was occupied by Thom Thor. La Verne Seibert was elected secretary and the treasurer was Bette Ray.

Boys and girls alike took part in school activities. Sophomore boys won second place in inter-class football and baseball and first place in basketball. The girls made a good showing in volleyball, basketball, and other inter-class sports. The year ended as all school years do with everybody happy to see summer and be free from class room work to enjoy it.

FACULTY ADVISERS: Miss Crow, Mrs. Pierce, Mr. Stephens, Miss Davis.

CLASS OF 1946

At the beginning of the Junior year the Class of '46 started ninety-one strong but as the year advanced their numbers were decreased for various reasons with a great many boys leaving for the armed forces. Class officers were elected early in that year. Tom Thor was elected president and Jim Peoples, vice-president. The secretary was Richard Hansen and the treasurer, Phyllis Pedersen.

During the year the class presented its annual Junior play, "Slightly Delerious". Directed by Miss Davis, the play was a big success and it added a great deal of money to the class treasury to help in financing the Junior-Senior Banquet.

As a new system of intramural sports was introduced, there was no interclass competition for the boys that year. The year closed with the Junior-Senior Banquet a great success. Class members started the summer vacaition dreaming of "next year" when they would be the stars in the big ring in front of the reserved seat section.

With the end of the war the future looked far brighter for graduating class members. President Lance Guynes, vice-president Jim Peoples, secretary Eileen Johnson, and treasurer Helen Freitas were elected class officers. The class held its traditional Senior party at the Legion Hall. There were refreshments and dancing afterward. Later Barbara Andersen was chosen May Queen for the first celebration of its kind at W. U. H. S. since 1942.

JUNIOR

Seventy six Juniors enrolled in the fall of 1945 at Washington Union High School.

With so much to be accomplished during their Junior year, they quickly organized their class by choosing Leo Jelmini, president; Herbert Jessen, vice-president; Virgil Eischen, secretary; Bernice Wulf, treasurer; and Joe Rose, Ivan Diel, and John Jorgensen, executive committee.

The faculty sponsors proved most helpful in planning the extra-curricular activities. These sponsors have been Mrs. Donsted, Miss Sinclair, Mr. Dirksen, and Mr. Kramer for the first semester. When Mrs. Donsted resigned her teaching position at the end of the first semester, Miss Ellestad and Mr. Gales became sponsors with the latter as head sponsor.

The Juniors have had both "brains and brawn". In the California Ssholarship Federation were Angelina Lobbia, Gladys Papazian, Siverdt Poulsen, Robert Dahlgren, Herbert Jessen, and Joe Van Gundy.

In interclass sports the girls won first place in volley ball and second in both basketball and soccer.

CLASS OF 1947

Seven boys earned their letters in football: Glenn Bradley, Virgil Eischen, Willard Sullivan, Bruce Blacksill, Leo Jelmini, David Pence, and Ivan Diel; Mike Gulian and Virgil Eischen also made their letters in basketball.

The Junior class play, "Our Girls", directed by Miss Lucy Anna Davis, was a big success. The cast included Nancy Eyer, Marianne Christensen, Juanita Kahler, Phyllis Stephens, Diana Mackersie, Joe Van Gundy, Arthur Smith, Ramon Nielsen, Robert Dahlgren, Herbert Jessen, and Mike Gulian. The profits from the play, plus candy sales profits and dues, financed the gala Junior -Senior banquet held this year at the Parlor Lecture Club.

The Juniors tied with the Sophomores for first place on the honor roll for thefirst semester: those having all A's were Robert Dahlgren, Herbert Jessen, and Angelina Lobbia. On the honorable mention list for the same period were the names of Nadyne Birdsell, Helen Hansen, Gladys Papazian, Josephine Potzernitz, Siverdt Poulsen, and Phyllis Stephens; the honorable mention list contains the names of pupils who have all grades of A and B.

Robert Dahlgren, Herbert Jessen, Angelina Lobbia, and Joe VanGundy, were C.S.F. members both semesters; Siverdt Poulsen qualified for first semester membership and Gladys Papazian for second.

Dolores Hearst and Nick Pestorich had perfect attendance records for the first semester.

SOPHOMORE

The Freshman Class of last year totaled a number of ninety-two. In the first meeting of the class, officers were elected. Bob Jeffries was chosen as president; Stanley Eichsen, vice-president, Lucille Linder, secretary; Eric Ferdinandsen, treasurer; and Alma Hutt, Virginia Hannickel, and Jimmie Brooks, as the executive committee. The class sponsors were Mrs. Mudge, Mrs. Engleson, Miss Sinclair, Miss Crow, and Dr. Force.

At the annual initiation the Freshman boys and girls were defeated by the Sophomores by a large margin. For a week they were "Scrubs" and had to enter the building by the back door and wear green ribbons in their hair.

The Freshman class did very well scholastically last year. There were thirteen students who were eligible to belong to the Scholarship Society. They were Dolores Bird, Lois Bixby, Glen Blomgren, Carolyn Egbert, Geraldine Handcock, Marilyn Hansen, Joe Hawksworth, Donald Kisling, Donald McCabe, Lois Rasmussen, Jack Silveira, June White, and Barbara Winnie.

The big social event last year for the Freshmen was the annual party on April 6. They played games of all kinds and later in the evening had a weiner roast.

The Freshman class of last year, now Sophomores, has an enrollment of one hundred and six students. At their first class meeting class officers were chosen. Joe Hawksworth was elected president; Melvin Coelho, vice-president; Theresa Steele, secretary; Virginia Hannickel, treasurer; the executive committee consists of Delores Clay, Bob Jeffries, and Donald Barnette. The Sophomore class sponsors are Mrs. Mudge, Mrs. Cavanagh, Mr. Hunt, and Mrs. Engleson.

The Sophomores are keeping up their scholastic record. They tied with the Juniors for first place on honor roll for first semester and also tied with the Seniors for first place on the honorable mention list. On the honor roll with all A's for the first semester were Lois Bixby, Jack Silveria, and Lois Rasmussen. The honorable mention list of those who had no grade below a B includes Terry Arakawa, Dolores Bird, Glen Blomgren, Ruby Collins, Wilburn Cowin, Carolyn Egbert, Clarabelle Hamilton, Virginia Hannickel, Robert Jeffries, Merle Johnson, Lucille Linder, Eunice Raynard, Shizuko Sashara, and Barbara Winnie.

FRESHMAN

Having become acquainted so they knew each other by face if not by name, the Freshmen of 1945-46 decided that high school isn't so very frightening after all.

The first duty the class performed was the election of officers. Jack Robinson was chosen president with Dale Nielsen following a close second as vice-president. Secretary was Norman Nielsen; treasurer, Ted Netzley, and yell leader, Kathryn McCarthy. Class sponsors have been Mrs. Cochran, Miss Landers, Mr. Poulsen, and Miss Larson.

Then came the Freshman initiation with the Sophomores winning, as usual. The Sophomore boys got through very easily, but the Freshman girls made their opponents work for the title of winner. As a penalty for losing the contest, the Freshman boys had to wear green ribbons in their hair and all Freshmen had to enter the main building through the back door for a week. After it was all over, the "Scrubs" breathed a sigh of relief and were able to feel that now they were full-fledged members of W.U.H.S.

ACTIVITIES

M. PETERSEN
Student Body President

STUDENT GOVERNMENT

The student government has this year, as in past years, been striving for immediate action on problems which arise in the school and which concern students in their relations with each other. It is the business of the Council to act on such matters.

The members of the Student Council, with the exception of the editors of the PROGRESS and the HATCHET, are elected by popular vote of the student Body members. Editors are appointed by the faculty sponsor of the publications. All members of the Student Council must maintain a "C" average in order to hold their offices.

The following have been members of the Student Council for the past year: Merle Petersen, Student Body president; Hardy Golston, vice-president; Helen Freitas, commissioner of girls' affairs; Richard Schmidt, commissioner of boys' affairs: Dick Hansen, councilman-at-large; La Verne Seibert, secretary; Mary Ellen Petersen, commissioner of finance with Diana Mackersie as assistant treasurer; Irene Sauermilch, editor of the HATCHET; Catherine Steyer, PROGRESS editor. The other four council members are the class presidents: Lance Guynes, Senior; Leo Jelmini, Junior; Joe Hawksworth, Sophomore; Jack Robinson, Freshman.

Faculty sponsors for the year have been Miss Landers and Principal Sonneman.

PROGRESS

The Progress staff presents this 1946 issue of the Progress after a semester of planning and working.

A brief review of the process of publishing the book will give the reader an idea of the process. A theme is chosen first; then come the making the dummy, picture taking, and writing and typing the articles, followed by reading galley and page proofs. A circus theme has been carried out through the book.

The Progress staff members have been very cooperative this year and would like to express appreciation to Mrs. Mudge and various art students, for doing a fine job of designing the division pages and cover. Pictures were taken by Mr. John Maxwell of the Maxwell Studio.

WASHINGTON HATCHET

"Hurry! Hurry!! Hurry!!! Don't miss the big show"

Ah! a scoop on an assembly, football game, or the band show. No matter what it is, there will be a "Hatchet" reporter there to cover it.

Journalism is not a compulsory course; therefore, most of the students take it because they are interested in writing articles and seeing their articles in print.

Last Fall the Journalism class visited the Fresno Bee where they saw the presses in action. Some of the students went to the Fall conference at Fresno State College.

This year the "Hatchet" has maintained the rating of "A" by the grading committee of the San Joaquin Valley Scholastic Press Association.

Irene Sauermilch has been editor; Thom Thor and Ernie Foote, business managers, and Miss Crow faculty sponsor.

DRAMATICS

The dramatics activities of Washington Union High School have been under the direction of Miss Lucy Davis.

The first success was the delightful comedy, "Our Girls", presented by the Junior class on December 13 and 14. From the comments heard on opening night it was the finest play the Juniors have presented for many years.

Heading the cast as mother and father were Nancy Eyer and Joe Van Gundy. The play told of an old maid aunt, portrayed by Diana Mackersie, who had a strong dislike for boys. She failed to realize until the end of the play that her own daughter had been blessed with three of the "hateful creatures" as she aptly put it. The three boys were portrayed by Robert Dalhgren, Herbert Jessen, and Ramon Nielsen. As in most plays, "All ends well".

The second success was attributed to the Senior class when they presented "Feathers in a Gale" in May. The play called for unusual costumes as the setting was at Cap Cod. It concerned three widows who were going to be sold at a "Widows' Vendue" because they could no longer support themselves; the people of the town knew, if the widows were not sold for servants, they would have to be supported by the townspeople.

The three widows, portrayed by Agnes Stockle, Barbara Andersen, and Miriam Steffensen, tried to catch husbands. They all succeeded, as only women can, with Captain Barnabas, an able sea captain, portrayed by Merle Petersen, uniting with Agnes Stockle; Parson Thatcher (Bob Sonneman) is caught by Barbara Andersen; and Zeb, the hired man, portrayed by Charles Smith, is claimed with much affection by Miriam Steffensen.

BAND CLUB

The Band Club has this year, as in previous years, been a most enthusiastic organization.

As their initiation into the club new members were required to play solos on their chosen instruments. Entertainment at the various meetings featured numbers by the members. Refreshments also proved popular features of the meetings.

Mr. Herbert Stephens has been club sponsor. Gladys Papazian was president and Mary Pereira, vice-president. The members chose LaVera Pardini as secretary and Charles Smith, treasurer.

MASK CLUB

The Mask Club started the year with a marked increase in membership over last year's number . . . fifty-nine as compared to thirty-three. This club is especially for those interested in some phase of dramatics. During the meetings the members have staged some very interesting dramatic programs.

Many members of the club took part in the Junior and Senior plays and showed splendid talent.

The club is under the sponsorship of Miss Davis. Offcers for the year have been: president, Cline McCann; vice-president, Gordon Thor; secretary, Catherine Steyer, and treasurer, Elizabeth Hansen.

GIRLS' LEAGUE

The Girls' League is an organization to which every girl in school belongs. Meetings are held once a month. The officers for the year have been: president, Helen Freitas; vice-president, Miriam Steffensen; secretary, Vivian Arzoian; treasurer, Nancy Eyer; executive committee members, Barbara Andersen, Audrey Badertscher, Betty Clark.

The big event of the year is the annual mother and daughter banquet. This year it was carried out in a circus theme and was served in the American Legion Hall at Easton on Friday, February 8. Also another annual big event was Print Day which was held April 17. On this day every lassie blossoms out in a new print dress and girls teach classes.

Mrs. Wanda Cochran was faculty sponsor this year.

GIRLS' ATHLETIC ASSOCIATION

The girls who have participated in interclass sports and have earned points are members of the Girls' Athletic Association. Each sport takes place according to season. The sports in which the girls indulged this year were speedball, volleyball, basketball, and baseball.

After winning a designated number of points, the girls are awarded emblems and letters. At the end of the Junior year the girl with the most points wins an athletic sweater and automatically becomes G.A.A. president her Senior year.

Sweater girl and president this year was, Agnes Stockle; secretary, Vivian Arzoian. The class managers this year have been Senior, La Verne Seibert; Junior Diana Mackersie; Sophomore, Clarabelle Hamilton; Freshman, Patricia Boyd.

BOYS' FEDERATION

The Boys' Federation, which is an every boy organization sponsored by Mr. Hunt, elected the following officers: president Richard Schmidt, vice-president, Tom Thor; secretary Richard Schwabenland; treasurer, Ernest Foote.

The Boys' Federation sponsors all activities among the boys in the school. During the year at various meetings the club was shown movies on football and other subjects interesting to boys. The club sponsored a wrestling tournament. A Talent Show was also scheduled as a money-making venture.

SCIENCE CLUB

At the beginning of its second year the Science Club outranked all other clubs in membership and started the year by electing Bob Sonneman as president and John Jorgensen as vice-president; Virgil Eischen, secretary; Patricia Boyd, treasurer.

The club under the expert guidance of Mrs. Pierce used their meeting time for the study of scientific problems with experiments and the showing of scientific movies.

The number of members enrolled in the Science Club proves that in this modern scientific world a great many students have keen interest in such problems.

The club finished the year the presentation of club pins at a party where refreshments and entertainment were furnished to the members themselves.

FUTURE FARMERS OF AMERICA

Realizing that farming is a science that takes study and preparation, fifty boys of Washington Union High School belong to the Future Farmers of America.

At the end of four years they are ready to begin their life's work with a good knowledge of scientific farming, of the use of modern farm machinery, and of the keeping of accurate records, as well as the ability to find the most profitable markets for their produce.

One field trip was taken to Hanford, where the local boys competed with boys from twenty-six other schools in judging Aberdeen-Angus cattle. E. Vitali, T. Aust, R. Ataide, D. Rasmussen, and A. Nelson represented Washington and placed eleventh. Another field trip was taken to Madera to judge three classes of beef, two classes of hogs, and one class of sheep.

On May Day the boys had a live stock show exhibiting many of their best animals. They also sponsored a similar show for the 4-H Clubs in the grammar schools.

A good farmer doesn't believe in all work and no play, and so the boys gave an F.F.A. dance on March 29.

The officers for this year were: president, Richard Hansen; vice-president, Ernest Foote; secretary, Lance Guynes; treasurer, Eugene Vitali; reporter, Ramon Nielsen; and sergeant-at-arms, Andrew Nelson.

AMA KI CLUB

The Ama-Ki club was organized in 1944, its name being derived from a Greek word meaning "friendship". The purpose of the Ama-Ki is dancing enjoyment. After the monthly business meetings the remainder of the time is spent in dancing.

At the end of last year, club pins were ordered and were received at the first meeting this year. New members solemnly went through quite a severe initiation, all in fun of course. The girls wore high heeled shoes, no make-up, straight hair and carried large hand-bags which contained a writing-pad for the old members' signatures. The boys wore kerchiefs on their heads and also carried hand-bags. At the next meeting those of the new members who didn't get the old members' signatures went through the spanking machine.

Christmas was celebrated with a Christmas party in the gym. Presents were exchanged; later the members danced and refreshments were served.

The last event of the year was "End of the Year Party". Members wore levis and staged a square dance contest.

The officers for the year have been: president, Betty Ray; vice-president, Helen Freitas; secretary, Betty Clark, and treasurer, Audrey Badertscher, Mrs. Cochran is faculty sponsor.

KNIT'N PURL CLUB

This club, in the second year of its existence, has had a happy, profitable season.

At the first meeting Betty Olesen was elected president with Doris Taylor as vice-president; Norma Missakian has been secretary and Lois Rasmussen, treasurer. Jane Suo has been editor and Kate McMullin, social chairman. Mrs. Donsted was faculty sponsor the first semester and Miss Crow, the second.

During the year the members have been knitting afghans for the Red Cross as well as working on individual projects. Noon meetings have been held at various times in addition to the stated meetings on general club days. The club had a Christmas party.

WOOD SHOP CLUB

This is a newly organized club under the sponsorship of Mr. Dirksen. The purpose of the club is that those interested in working with wood may have an opportunity to practice their hobby. During the meetings the members have worked on their individual projects and have also used some of the time for the completion of projects begun in regular shop class.

The membership is composed of eighteen members, seventeen of whom are enrolled in shop classes. Carl Jensen has been president; Frank Lopez, vice-president; Hubert Ereman, secretary-treasurer.

BLOCK W

Block W started the year with a lively initiation at which a large group of lettermen became the new members of the organization. After the initiation ceremonies various games were played including basketball between the old and new members.

A candidate for membership in Block W must have earned at least one letter in interschool sports. During the year the members ordered pins designed with a gold shield as the background for a block W; a guard chain was attached to the numeral '46.

Richard Schmidt has been president with Hardy Golston as vice-president, Richard Schwabenland as secretary, and Ernest Foote as treasurer. Mr. Kramer, boys' coach, is sponsor.

VARSITY FOOTBALL

This year the varsity squad, directed by Coach Kramer, played a good brand of football throughout the season. They started the season in good form by defeating the Kingsburg Vikings 6-0, but as the season progressed they lost their sting and finished the season in fourth place with two wins and four losses.

The season ended with the Panthers as guests at a turkey dinner given by Mrs. Carl Thor, Mr. and Mrs. Jim Gardner, Mr. Ostrom and Mr. Hawksworth.

BASKETBALL

PANTHER VARSITY

The varsity basketball team started the season in good form by winning most of their practice games; but, as the league season got under way, the Panthers suffered a defeat from Lemoore in the opening game. The following week the home town boys defeated Sanger for the first time in many years, thus breaking Sanger's long winning streak. Kingsburg and Reedley came next, both losing by close scores. The Panthers really hit their stride when they walked over their rivals, the Red Cats from Fowler.

The Panther team looked as if it was on its way to a championship, but a strong Selma team ended Easton's victory march by defeating the Panthers 31-24. The Panthers traveled to Orosi and defeated the Emperors in a practice game to end the season in good style.

PANTHER CUBS

The Cubs got a bad start at the beginning of the season but, as the games came and went, they showed a great improvement and climaxed the season by defeating the Selma B team in the final game 39-24.

The boys showed good team work throughout the whole season and give promise of being a tough team to beat next year, no matter how good the other schools are.

KITTENS

The C class team started the season off well. Although they didn't win, they gave Lemoore a very close game, 21-16. The team looked as if it had great possibilities but in the middle of the season they had a slump and failed to win any game until their last with Selma by a score of 22-19.

Then the Panthers suffered two defeats at the hands of Selma and Kingsburg to end the season, giving up their Sequoia League championship to the Sanger Apaches.
